

# Design an Album Cover

Imagine you are about to release your debut mixtape. You have the music recorded, and now all you need is the perfect album cover!

Design an album cover that represents YOU. Use the following questions to guide your design.

1. What is your favorite type of music?
2. What things bring you joy?
3. What is something you feel you are good at?
4. What is something you feel proud of yourself for?
5. What are your favorite colors?

To create your album cover, either print off the following page or use a blank piece of paper. Make sure to give your album a title!
